

## How to Delete or Edit an Ad:

1) Once your ad is finished (you hired your employee, you sold your equipment, etc) you should remove your ad. To do this, all you have to do is find your ad and click on the Edit button

The screenshot shows a Microsoft Internet Explorer browser window displaying a forum thread on ProBrewer.com. The browser's address bar shows the URL: <http://probrewer.com/vbulletin/showthread.php?s=506a1a767e4b25caf0c890200791acbe&threadid=280>. The forum header includes the ProBrewer.com logo and a Cargill Malt advertisement. The thread title is "kegs needed 1/2 bbl bung sided sankey conversions". The post is by user "tony savoy", a Junior Member, registered in October 2002. The post content reads: "I am looking for converted golden gate kegs. bung sides with sankey fittings. 1/2 bbls and 1/4 small quantities 40-50 count." Below the post, the "edit" button is highlighted with a black arrow. Other buttons visible include "new thread", "post reply", "profile", "pm", "www", "search", "buddy", "quote", and "Report this post to a moderator". The browser's status bar at the bottom shows "Done" and "Internet".

- 2) You will see a screen that gives you the choice to Delete the ad by clicking on the Delete button
- 3) or Edit the ad by modifying the ad copy in the Message box
